TEAM SCORE					DSQ

Professional Judge A

- Good sequencing
- Beautiful volley and rhythm sequencing
- Good quality
- Too much mixed effects
- Great energy
- Good base layer
- Good layering

Professional Judge B

- Great display
- Loved the timed gaps

Adjudicator

1. Late submission of paperwork
2. Good sportsmanship on site
3. Followed rules and instructions
4. Complied with legal requirements
5. Planning and preparation below the standard required for the Championships
6. This lack of planning, coupled with the inexperience of some crew members, resulted in on-site preparation work posing unacceptable risk to themselves and others
7. This limited technical competence meant the team required assistance from other pyrotechnicians to eliminate the risk and enable safe completion of their display

Professional Judge C

- Strong opening
- Distinct sections
- Great use of single colour and multi-colour sequences
- Nice graphical patterns
- Bit repetitive in the middle
- Strong ending
- Well-paced

TEAM SCORE					208.00

Professional Judge A

- Beautiful Timing
- Strong use of rhythm
- Perfect placement of high-quality shells above strong base sequences
- Beautiful use of sound
- Unique combinations of effects
- Great interaction between all levels

Professional Judge C

- Very strong throughout
- Terrific interplay between the low-level and high-level effects
- Very strong use of sound and percussive rhythms

Adjudicator

1. All documentation received on time
2. Acted with professionalism and sportsmanship and good co-operation
3. Displayed good technical ability but some misjudgement of risk analysis and safe practice
4. Followed the rules and communicated well
5. Did not follow industry standards in transportation of fireworks. Concerns raised regarding the assembly of fireworks inside vehicle during set up.
